PRESERVING THE PAST FOR THE FUTURE !!

Minutes for the Foothills Antique Power Association.

Meeting was held Thursday, June 7th at Sig's Tire.

Carroll welcomed everyone and called the meeting to order. Health concerns are Dale Sigmon, Don Hollar & Rachel Winebarger. One of our charter members, Eddie Baker passed away in May, also the son-in-law of Dee Stewart & the mother of Mike Beam passed away in March.

Marcus Benfield had prayer & said pledge.

Hal Bond with the Alexander County Fair spoke to the club. They want the club to come to their fairgrounds on July 14th for a show & pull. They will also have another show & pull on September 29th. These are just one day events, 1:00 PM to 5:30 PM, then the pull starts. They also extended the invitation to their County Fair, but it co-insides with the Catawba County Fair.

There will be NO meeting in July due to vacation time. Next meeting will be August 2nd.

Minutes were read & approved. Gave statistics on items brought to the show.

Kermit on vacation. Butch gave report on the totals of money collected at the show. Ask for comments on the show from the members. Carroll recognized everyone that worked so hard at the show, members & non members.

Wilson had update on membership, 224 that includes 11 new members that joined at the show.

Discussed our 2nd annual Power Ride. We will start at the residence of Alan & Rachel Keller. Meet at the Kellers around 1:00 PM, will try to leave around 2:00 PM, ride to Conover, via County Home Road, to the Broyhill Park, stay there approximately 1 to 1 ½ hours then leave about 4:15 & travel back to the Kellers via Herman Sipe Road. We will eat around 6:00 PM. We will get a newsletter out before then with a map for directions.

Carroll talked about finishing metal parts on equipment.
Marcus dismissed us with prayer.

Respectively submitted;
Rachel Keller
