ANTIQUÉ POWER  
ASSOCIATION  
ESTABLISHED 2003

**PRESERVING THE PAST FOR THE FUTURE !!**

October 24, 2006

October 7, 2006 completed our 3<sup>rd</sup> year of existence and I am very proud of our association. Together we have accomplished many of the goals we had set forth. We find ourselves as a club in a unique position of being a leader rather than a follower. Our accomplishments have defied the critics and have "raised the bar". Is this a time to relax and take it easy? With the exception of the July break, we must work all year long to maintain Foothills Antique Power Association. Each individual member must determine the level he or she is able to participate. I thank you for your dedication and service to the club. Please know that you are a valued member regardless if you are a charter member or joined this week.

My fellow Officers, Board of Directors, and anyone who would like to serve on the show committee are asked to meet for a planning session tentatively scheduled for November 16<sup>th</sup>. Others who could serve on a newsletter committee or could print and distribute fliers are asked to attend.

This Saturday, October 28<sup>th</sup> there will be a benefit BBQ for club member Dale Sigmon at St. Stephens High School. BBQ pork and chicken plates are \$6.50 and will be served between 11 AM and 3PM. Come out to show your power equipment and let's support Dale.

Saturday, November 4<sup>th</sup> at 3pm the town of Catawba will hold its annual Christmas Parade.

Our membership renewal is now going on. Please renew your membership as soon as possible. Please contact Wilson Sigmon anytime.

Our next regular club meeting is November 2<sup>nd</sup> at 7pm behind Sig's Tire. Hope to see your there!!

Anyone wishing to receive the club's monthly newsletter and/or updates by e-mail, please e-mail Kevin Sigmon at [Ksigmon@Sigsnet.com](mailto:Ksigmon@Sigsnet.com). Please include your name and e-mail address.

Our full potential as the Foothills Antique Power Association is limited only by our complacency. As the show season winds down and the Holiday Season approaches, let's give thanks for all that God has blessed us with and most of all the greatest gift ever given, the Lord Jesus Christ.
