## ANTIQUÉ POWER ASSOCIATION

ESTABLISHED 2003

**PRESERVING THE PAST FOR THE FUTURE !!**

Hi Fellow Members,

October 2009

The election of officers was held during the October meeting (Oct. 1<sup>st</sup>). Prior to the beginning of the election process, the sad announcement was made concerning three individuals who have served the club as officers for quite a few years who decided not to seek re-election.

From the bottom of our hearts we express our appreciation to Carroll Hilliard (who served as President and Vice-President), Rachel Keller (who served as Secretary), and Ken Isenhour (who served as a member of the Board of Directors). Of course, they are not going anywhere. They are just stepping down from serving as officers. Again, we are deeply grateful to each of you for your work and leadership during the formative years of our club.

Once the elections began, the voting proceeded to bring both some familiar and new faces into the officer's functions. Here is the slate of officers for 2010:

President: Wilson Sigmon  
Vice-President: Kevin Black  
Treasurer: Kermit Nash  
Secretary: David Setzer  
Show Committee Chairman:  
Ned Story  
Swap-meet Chairman: Kevin  
Black  
Asst. to the Secretary:  
Kevin Sigmon  
Asst. to the Show Comm. Chair:  
Teddy Hefner

Board of Directors:  
Tim Hollar (re-elected for 2010-  
2011 term)  
Butch McIntyre (re-elected for  
2010-2011 term)  
Teddy Hefner (elected for 2010-  
2011 term)  
Ned Story (term expires 2010)  
Philip Spencer (term expires 2010)  
David Setzer (term expires 2010)

We could not allow our long-time President Carroll Hilliard to simply fade back into the crowd – he is too beloved and valuable to us all. So, we established the President Advisor/Emeritus position (exact title to be decided later). We can thus benefit from his continuing to guide, steer, and help us via this new function. He, like a father, has raised us through infancy and childhood; now that we are nearing maturity, his wisdom can keep us on the right path.

We are immensely thankful to you, Rachel, for serving as our Secretary for all but one year of the six we've been together. You have always been on the pulse of things, but very few really know how much time and effort you put in. You were the one who kept us all up to date with what was going on (via things like the newsletters &

meeting minutes) so nothing passed you by. And then there were all those exhibitors you signed-in at the shows ...

Ken, our heartfelt thanks goes to you as well. As a Board member from the beginning, your decisions helped to shape us into who and what we are today. And your oversight of the scouts in years past clearly exemplifies who we are and what we desire to be for our community and the younger generations.

A lastly, but certainly not least, we also express our deep gratitude and appreciation to Butch Minyard for his leadership as Show Committee Chairman for so many years. With his direction our show has become one that has been enjoyed by many and renowned far outside the local area.
