Let's remember our health concerns. Don Hollar is still under Hospice care. Gary Huffman is having a pace maker installed on September 10th at Frye. Member Charles McRee lost a brother, John McRee last month. Please keep these and all others in your thoughts & prayers.

Membership to date stands at 229. That includes 1 new member since last meeting, Lin Couch of Newton.

Please remember to return signs and banners to the meeting hall or drop off by Sig's Tire.

Anyone wanting to receive the newsletter via e-mail please e-mail either Kevin Sigmon at ksigmon@sigsnet.com or Rachel Keller at rakeller@bellsouth.net. This will help save on postage & time doing over 200 newsletters and it will be easier to notify most members sooner if needed. Also, in posting member names on the website, it has be suggested that we include the type of equipment that you have so that others can communicate with you if needed.
