PRESERVING THE PAST FOR THE FUTURE !!

Hi Fellow Members,

October 2007

Elections were held at the October meeting. No changes were made so you're stuck with the same old folks. If you were not there, don't complain!!

Let's remember our health concerns. Don Hollar is still under Hospice care. Gary Huffman is doing well after having a pace maker installed in September. Claude Wilson had light stroke and is doing well. A niece of Butch & Ken Minyard is in the hospital in serious condition but improving. Please keep these and any others in your thoughts & prayers.

Note from Carroll: Anyone interested in be on the Show Committee for the 2008 show?? If so please make arrangements to be at Sig's on Tuesday November 13th at 7:00 PM. *Any & all* help would be appreciated.

Membership starts over for 2008. As of the October meeting we only have 53 members, so a lot have not renewed yet. We will be collecting dues at the November meeting. Just as a reminder, to be eligible for the drawings at the December meeting for the button, t-shirt or program, **you must be paid up!**

Need help - one of our members paid dues for Duane Webb, but we have no address or phone number. Whoever paid the dues please contact one of the officers ASAP so Duane can get his newsletter.
